2014-2015 Dependent Verification Worksheet

Your FAFSA was selected for review in a process called "verification." In this process Loras College is required to compare information from your FAFSA with other documentation such as an official IRS Tax Return Transcript for you and your parent(s). Also, you must **submit copies of any W-2 forms or earnings statements**. The law says we have a right to ask you for this information before awarding federal aid. If there are differences between your FAFSA and your financial documents we may need to send corrections electronically to have your information reprocessed.
