

## Allergy Shots

**The Loras College Health Center does not administer allergy shots.** See below to schedule allergy shots.

### Medical Associates Clinic, P.C.

Hyder Ali Khan, M.D.; Brad McClimon, M.D.; John Moore, M.D.

Department of Allergy; 1500 Associates Drive; Dubuque, IA 52002

Please verify coverage with your health insurance provider, and then take your current health insurance information to the Medical Associates Clinic (West Campus) Registration Office prior to your first visit. Title 19 insurance is not accepted. You will need to take your allergy serum and necessary written physicians order from your hometown allergist if brought to school with you. Allergy shots are given:

8:00 a.m. - 4:30 p.m. Monday, Wednesday, Thursday, and Friday  
7:30 a.m. - 6:00 p.m. Tuesday

Call 563-584-4485 to make an appointment with a doctor.

- After the initial appointment, no appointment is needed to receive an allergy shot, but please register at the appointment desk when you come in.
- **While school is in session: If you come for your shots from 2:30 - 4:30 p.m., an approximate 15-20 minute wait is involved. Usually no waiting is involved during the morning hours.**
- If you are on a weekly injection schedule, shots can be given within a 5-10 day range.
- Wait 30 minutes after the shot is given, and return to the shot room to be checked before leaving Medical Associates.
- Injections start with the weakest strength and increase each week until the maximum dose is reached.
- Periodically you will be asked to see the physician for re-evaluation of your condition.
