

2025–2026 Dependent Verification Family Size

Your 2025-26 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for a review process called verification. The law requires that before awarding federal student financial aid, we are required to confirm some of the information you and your parents reported on your FAFSA.

We will use the information you provide on this form to verify what you entered on your 2025-26 FAFSA. If there are differences, your FAFSA information may be corrected. You and the parent must complete, sign, and submit this worksheet. It is important that the information you provide on this worksheet is accurate and that you submit any additional documents we requested from you. If you have questions about verification, contact our office as soon as possible so your financial aid will not be delayed.
