The federal government's Consolidated Appropriations Act, 2021 included additional COVID-19 relief through the *Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act*. As a result, Loras College has received funding from the *Higher Education Emergency Relief Fund (HEERF3)* to support current and former students with financial need.

Loras College followed Department of Education guidance and prioritized financial need when including you as a recipient of this email survey. **In order to determine eligibility for the award, you will need to respond to the question below. Not responding will be interpreted that no need is present and hence, you will no longer be eligible for this award.** This is not a loan and is money that does not need to be repaid.

If you have a balance due to Loras College, we encourage you to apply this cash grant to your outstanding balance. You may also elect to have the cash grant issued to you via paper check and mailed to your home address.
