¹-Number of students that took a standardized test score. If a student took more than one (ACT and SAT for example) the highest ACT score (or SAT equivalent) was used in the cohort average

²-SAT Scores were converted to the ACT equivalent using the converter found here: <http://convertyourscore.org/>

Note: Starting with FYFA21 Cohort standardized test scores were optional for admission

*-10 students with SAT excluded from average due to incomplete information in archived file
